**SUPPLEMENTAL DECLARATION
AND POWER OF ATTORNEY
Original Application**

As a below named inventor, I declare that the information given herein is true, that I believe that I am the original, first and sole inventor if only one name is listed at 1 below, or a joint inventor if plural inventors are named below, of the invention entitled:

TITLE: MONOCHROMATOR AND OPTICAL SPECTRUM ANALYZER

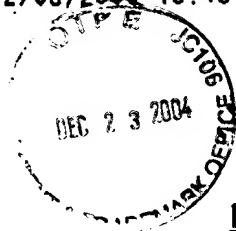

which is described and claimed in:

☐ the attached specification or

☒ the specification in application Serial No. 09/578,962 filed May 25, 2000 and as amended on September 9, 2004 and during the Examiner's interview on September 20, 2004.

(for declaration not accompanying appl.)

I declare that the subject matter of the Amendment filed on September 9, 2004 and discussed during the Examiner's interview on September 20, 2004 is part of my invention and was invented before the filing date of the original application, above identified for such invention. I declare that I do not know and do not believe that the same was ever known or used in the United States of America before my invention thereof or patented or described in any printed publication in any country before my invention thereof, or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application, that I acknowledge my duty to disclose information of which I am aware which is material to patentability in accordance with 37 CFR §1.56. I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above. I hereby claim the priority benefits under 35 U.S.C. §119 of any application(s) for patent or inventor's certificate listed below. All foreign applications for patent or inventor's certificate on this invention filed by me or my legal representatives or assigns prior to the application(s) of which priority is claimed are also identified below.
